

# Sprint 4 Report

## Enroll Smart 6/3

Work completed/not completed

Completed User Stories:

- As a user, I should be able to drag and drop courses into a planner to plan future schedules
  - Refactored for connection to the backend
- As a user, I should be able to log in and view my saved course plans
- As a user, I should be able to view the RateMyProfessor score for professors
  - Display on the frontend
- As a user, I should be notified of class enrollment updates

Incomplete User Stories:

- As a user, I should be able to track my degree progress
- As a user, I need to be able to get directions to my classes from my current location, so I don't get lost on the way there
- As a user, I need to receive notifications in advance when my enrollment date is approaching so I can secure a spot in my planned courses
- As a user, I need to know which quarters future courses are most likely to be offered so I can plan further ahead
